### **What is an Intentional Disciple?**

Each of us is different. Our lives, the demands on our time, our relationship with God and our talents are unique to each one of us. Therefore, my response has to be one that fits my life and the person I am. It has to be realistic and sustainable, but we mustn't fall into the trap of thinking that we are busier than everyone else and therefore this message is not for us. If we don't respond our relationship with God will not grow and our unique mix of skills will always be missing from the diocese. The first step you can take is to say "yes" and attend the next meeting of the Parish group of Intentional Disciples on **21<sup>st</sup> September** at 7 pm in the hall at Falmouth. Call Chris Ohly to find out more 01326 250569

### **From Father Brian**

Today's Gospel reminds us that often following Jesus can be difficult and challenging. Often these days the values of the Christian faith seem to be at odds with the practises and beliefs of modern society. However, Jesus urges us to continue to behave and act according to the teachings of His Gospel. Jesus tells us that our efforts will not be forgotten by Him and will be recognised and rewarded
