Additional security measures are being investigated to enable the church to be kept open. Any inconvenience caused is regretted.

### **From Fr Brian**

I appreciate the understanding of all in our parish community to the recent changing of various Sunday Masses. I will do my very best to ensure that all our places of worship have regular celebrations of the Mass. Our situation highlights the national problem of the shortage of priests. Please therefore continue to pray for vocations to the priesthood and the religious life.
