School News

We are keen to introduce an intervention group could "Lego therapy". Brick building play therapy results in better communication skills for children. This specific type of play therapy can also improve children's abilities to change their behaviour, understand and talk about their feelings, solve problems and learn about the world in which they live.

For this group to work we really need the donation of:

- brick building base plates
- lego/brick figures
- small/medium complete sets of Lego (or alternative makes), instructions are required.

Any donations gratefully received.

From Father Brian

This weekend we celebrate 'Prisoners' Sunday', the national day of prayer and action for prisoners and their dependants. The Gospel tells us not to forget that all people whoever they are and whatever they may have done, are loved by God and called to be sharers in His Kingdom. May we remember prisoners and their families in our prayers.

Point to Ponder

Dear Lord, help me to always remember what is important, not money in the bank, but God in the heart.
(Sharon Jaynes)
