St Mary's School News

This week has been a busy week at St. Mary's with a wealth of enrichment activities that have enhanced our children's learning experiences. As part of our work to encourage the children's awareness and respect for difference and diversity the children in Reception, Class 1 and 2 took part in a workshop to learn about the Hindu festival of Diwali. They listened to the story and made food associated with this festival.

Learning with Ipad

Children across the school have worked with Joe Moretti, an iPad trainer on a wide range of different activities ranging from animating aliens to coding and designing games. The children have developed their skills in using the ipads and now use the iPad as an essential tool for learning.

Children's Book Week

On Thursday we celebrated Children's Book Week which provided an opportunity to celebrate and inspire our children's love of reading. The children came to school dressed as a character from Harry Potter or another favourite book character. This theme was continued at lunchtime where the children enjoyed a Harry Potter themed feast.
