**From Father Brian**

this weekend we are asked to pray for and remember prisoners and their families. We pray for all those who come into contact with the criminal justice system in any way. We remember that each person is precious to God and we pray that all people will experience the freedom that the Gospel brings. It should cause us to stop and think that the prison population of England and Wales is 82,570 and there are 94,129 children with a parent in prison.

**Point to Ponder**

Freedom is not worth having if it does not include the freedom to make mistakes.  
*(Mahatma Gandhi)*
