Helston & Mullion News

It is really good to see so many people returning to Sunday worship. Some extra chairs have been added, but please make sure a social distance is still maintained.

A new Sunday leaflet for mass in Ordinary Time under the new stage 3 restrictions contains revised instructions about receiving the Blessed Sacrament. PLEASE READ THEM CAREFULLY. Also, as we are now able to have an Offertory Procession, but not a collection in the seats, please put your offering in the basket on the way **IN** to church from now on. Although all other sheets can go in the recycling box, to save paper please put these

new mass leaflets in the wire tray as they can be re-used after 48 hours in quarantine.

The new rotas begin today. Thank you to all those who have volunteered, both new members and those who were on previous rotas. It was remarked to me that, on the cleaners rota especially, it was "the same old people". Some of our older people (including your priest!) are not as fit as they used to be. It would be really good to see some of the slightly younger members of our congregation volunteering. If you would like to be included in the next revision please let Fr Paul know.

The hall cleaner is off furlough and spending the next few weeks cleaning our hall ready for its re-opening, which we hope will be at the end of the month, depending on the latest government instructions.

The Live Mass from Helston is also now on the parish website

MISSIO (RED BOX)

We have been sent a very interesting "Impact Report" from Missio which is intended for all Red Box Holders and anyone interested in the work of mission across the world.

The report covers missionary activity in Pakistan, South Africa & Cameroon.

There is also a breakdown of where monies are spent around the world. Amazing what are support can achieve.

We have plenty of these reports to give out and we have placed them in our porch at St Marys Falmouth and we will also leave them out at St Edwards.

We also have a healthy supply of **RED BOXES** looking for new homes.

Ask your MP to sign a Parliamentary motion to stop 'DIY' abortion

Carla Lockhart MP has launched a parliamentary motion calling on the Government to end 'DIY' home abortion.

It is therefore vital that as many MPs as possible sign Carla Lockhart's motion to send a clear message to the Government that they must end dangerous 'DIY' home abortion services as soon as possible.

Right to Life UK has launched an easy-to-use tool which makes it simple for you to send an email to your MP asking them to sign the motion. Please click the link below to contact your MP now.

It only takes 30 seconds!

From Father Brian

Way back in 1968 the late Louis Armstrong had a number one hit with a called 'What a Wonderful World'. As Christians we believe that God's creation is indeed wonderful and beautiful. God has called us to be stewards of His world and to care, protect and cherish it. As the G7 leaders meet here in Cornwall may they be guided and inspired by God who has given us one world to be shared equally and justly with the one human race.

Have a good and safe week

Father Brian

Points to Ponder

All of creation is a song of praise to God.

(Hildegard of Bingen)

The Earth is what we all have in common.

(Wendell Berry)

Planet Earth is our shared island, let us join forces to protect it.

(Ban Ki-Moon)
