## **Helston & Mullion News**

*We are very pleased to welcome John Pinhay to both our Sunday masses. John will speak to us about the work of Stella Maris.*

**A VERY WARM WELCOME to those visiting us for Mass today**, and to all those returning after a while away. It is really good to see so many people returning to Sunday worship. We are waiting to hear how last Monday's announcements will be implemented in our churches; meanwhile all the old rules still apply. Family bubbles may always sit together, but **everyone else must keep to the approved social distance** separation of at least 1 metre, **face coverings must continue to be worn** and **the one-way system must still be followed**. The windows and doors must all remain open to increase ventilation. **Please read the instructions in the mass leaflet regarding Holy Communion.**

**Heather Ashton's Funeral mass is on Friday at 1.30.** Fr Jon Bielawski is coming down from Plymouth to officiate. As we anticipate being out of government restrictions by then, there is no need to worry about attendance numbers. After the committal at Camborne crematorium there will be a reception at Wheal Dream at 4.30 for all Heather's friends and acquaintances, **please let Marie Ashton on 075 4358 7737 know if you would like to attend.**

**Morning Prayer** is recited publicly on Tuesdays and Thursdays 20 minutes before mass. All are welcome to join in. No books are necessary.

At public masses we are now reciting the "Prayer for Spiritual Communion" not only for the benefit of those who are watching on-line and for members of our own congregation unable to receive at this time; but also to remind us who are able to be at worship in church that we are all a part of a much larger worshipping community.

We are planning to re-open the church hall on the 1<sup>st</sup> August, but are still waiting to see if there are any special government instructions or Diocesan & national Church guidance, which will come into force. Assuming we *can* go ahead, **there will be coffee after mass on Sunday, 1<sup>st</sup> August.** Would whoever is responsible for that rota please do one!

Speaking of rotas, I was asked why the welcomers rota is not published yet. Quite simply until we knew what restrictions were going to be in place I didn't know how many people would need to be

on duty on a Sunday morning. I will have it published and ready to come into force on 1<sup>st</sup> August.

**I GOT IT VERY WRONG!** Last week in this bulletin I asked you to use my *@live.com* account for emails. I didn't realise at the time that this was contrary to diocesan policy, and all clergy have to use their diocesan email accounts for parish business. **Please ignore last week's bulletin item.** **My address for ALL emails related to church business is [paul.andrew@prcdtr.org.uk](mailto:paul.andrew@prcdtr.org.uk)** although you may receive things from my google account (like YouTube videos) or the live account (while I sort out the group email business) PLEASE DO NOT REPLY TO THESE. If emails arrive in any of my personal accounts I shall have to return them and ask the sender to resend them to the diocesan account. My apologies for any inconvenience.

### **Covid Update – The Kanji Project**

Ian Parr managed to get through to speak to Maria, to see what the situation was around Kanji, Tamil Nadu. Maria stated that the Covid situation was still serious. They are all in lock down. The school has been closed for over a year. The teachers provide online lessons to the oldest students, but this only reaches about 50% due to lack of technology and wi-fi. Many friends, family, and workers from the local villages, that Maria knows, have died over the last year. She has also lost several nuns who she knew very well. The death toll in India so far is stated to be over 400,000. This number is known to be lower than reality. The Indian Government has so far administered covid vaccinations to around 280 million adults, mainly in the largest cities. Maria has not yet been vaccinated as it appears that the poor rural villages are last to receive the vaccinations. She hopes to get her first vaccination in 2 to 3 weeks. The Government aims to vaccinate all 980 million adults by the end of the year. The pace is slow, there is a shortage of vaccine, and a lot of vaccine hesitancy.

Thank you for the continued support for the charity. In the past few weeks 3 new sponsors have come from the parish. See [www.thekanjiproject.org.uk](http://www.thekanjiproject.org.uk) for other information.

## CAFOD

We would love to reinvigorate our parish CAFOD group. Please pray to see if you are moved to help the parish “hear the cry of the earth and the cry of the poor” and to reach out to our sisters and brothers around the world through CAFOD. Do please speak to Hilary in the parish office and/or contact Simon Giarchi, our diocesan CAFOD coordinator on: 07920751180 or [plymouth@cafod.org.uk](mailto:plymouth@cafod.org.uk)

Once we have the names of those interested Simon will organise a meeting to get everyone together either in person or online, depending on guidance.

**From Father Brian**

The readings for this Sunday's Masses proclaim the Jesus is the sign of peace between members of His flock. As shepherd He leads us to our true happiness and protects us from harm. In the quietness of prayer we can be alone with Him and He will refresh our weary spirits.

Next week in Falmouth and Mawnan Smith 'Sea Sunday' will be celebrated and we shall pray for all those who live and work at sea. There will be an appeal and a second collection for Stella Maris (the Apostleship of the Sea) the official maritime welfare agency of the Catholic Church.

Have a good and safe week.

**Points to Ponder**

I used to believe that prayer changes things, but now I know that prayer changes us, and we change things.

*(St. Mother Teresa)*

If life gets too hard to stand...kneel.

*(Anon)*

Prayer is simply a two way conversation between you and God.
