Volunteers needed for exciting project at St Mary's School

Cornwall's first School Street is happening in Falmouth this September, and we need volunteers to help make it happen!

School Streets are temporary traffic-free zones near to school entrances, aimed at tackling the congestion, poor air quality and road-safety concerns that many schools experience at drop-off and pick-up times.

In a project delivered in partnership between St Mary's School, charity Sustrans and Cornwall Council, the area in front of the school will be closed to temporarily restrict vehicle access between 8-9am and 3-4pm during term-time from mid-September. Could you be one of our stewards? Volunteers are needed to set up the barriers on the road and inform drivers of the road-closure and why it is happening. If you can spare 1½ hours on school-day mornings and/or afternoons and are interested in volunteering, please contact the Sustrans team cornwall@sustrans.org.uk, with "St Mary's volunteer" in the subject. All volunteers will receive training and support.

From Father Brian

This coming Thursday 1st September at 6.00 pm at Helston, Mass will be celebrated to mark the retirement Of Father Paul Andrew from active ministry. This Mass will be followed by a barbeque. All are welcome to both celebrations. I would like to thank Father Paul for his dedicated service over the past three years. He has been a great support to me and I have valued his friendship, advice and wisdom. Of course, we will not be losing Fr Paul entirely for in his retirement he will continue to live in the Presbytery in Helston and has generously offered to celebrate Masses when there is an absence of a priest in the Cornwall Deanery. we pray for Fr Paul and ask God to bless him and grant him many graces in the years of his retirement from the active ministry
Have a good and safe week

Points to Ponder
