Volunteers needed at St Mary's School

School Streets are temporary traffic-free zones near to school entrances, aimed at tackling the congestion, poor air quality and road-safety concerns that many schools experience at drop-off and pick-up times. In a project delivered in partnership between St Mary's School, charity Sustrans and Cornwall Council, the area in front of the school will be closed to temporarily restrict vehicle access between 8-9am and 3-4pm during term-time from mid-September. Volunteers are needed to set up the barriers on the road and inform drivers of the road-closure and why it is happening.

If you can spare 1½ hours on school-day mornings and/or afternoons and are interested in volunteering, please contact the Sustrans team cornwall@sustrans.org.uk, with "St Mary's volunteer" in the subject. All volunteers will receive training and support.

Points to Ponder

In order to say yes to your priorities you have to be willing to say no to something else.

A smile is the universal welcome.

A small act of kindness can have a very large impact on someone else.
