A VERY WARM WELCOME

to all who are worshipping with us today.

Message from Father Brian

As you are all aware Father Andrew Marlborough is now with us as an Assistant Priest. I know you will make him feel very welcome and at home. After discussion with Father Andrew it has been agreed that his main area of responsibility will be the Helston and Mullion communities of our parish. Normally, Father Andrew will celebrate the majority of the Masses and other sacraments and look after the spiritual/pastoral needs of the communities of Helston/Mullion. Hopefully, Father Andrew will also be involved in the life of the school, the university and the hospital in Falmouth.

Of course, as Parish Priest I have overall responsibility for all our communities and I will celebrate at least one Mass per week at either Helston or Mullion. Both Father Andrew and I agree that this arrangement will give all our faith communities a sense of continuity and stability week in and week out. Of course, I will always make myself available to all who wish to see or contact me.

Father Andrew and I are confident that this arrangement will help our parish grow and mature as a community willing to share the Gospel with all.

Message to Faith Leaders from His Majesty King Charles III

Please see the message from King Charles which is displayed in the porches of all 4 churches. Copies will be available from the office on request.

Face Covering – message from Fr Brian

I recently discovered that the Bishops of England and Wales no longer require Eucharistic Ministers to wear face coverings when distributing Holy Communion. Therefore, FOOD FOR THOSE IN NEED A Community Fridge is now open in the Council's One Stop Shop at the .old Post Office building on the moor. Any foods, in date, can be donated including perishable goods such as bread, fruit and veg from your garden.

Donations will be much appreciated by those who are finding it difficult to feed their families from the weekend of 24th/25th September the priests and ministers will no longer wear face coverings. Of course, this issue will be kept under review in case there is an upsurge in Covid infections in the coming months. If any of you are uncomfortable with this change please contact me personally and I will do my best to answer your concerns.
