### World Day of Prayer 1st March 2024

#### **A service for everyone prepared by the women of Palestine**

#### **I beg you, bear with one another in love**

The Christian Women of Palestine are calling us to connect with the land from where Jesus came; where he was born, ministered and died – and from where our faith began and is rooted. Despite living in an area of the world where there is ongoing conflict and the future is uncertain, the women of Palestine are sharing with love a reminder that they are there, and they want to give hope to everyone. The theme of the service 2024 '**bear with one another in love**' seems very appropriate for these women who will not give up witnessing the love of Jesus Christ. World Day of Prayer is an international, inter-church organisation led by women which enables us to hear the thoughts of those women from all parts of the world: their hopes, concerns, and prayers.

**Everyone welcome, men, women and children**
